

Direct Express Program

Program Overview

Direct Express is an easy low-cost lockbox solution to supplement your credit line for financially strong end-user customers.

 <p>Reseller maintains all aspects of relationship with end user, including invoicing and following up for payment to the IFSC remittance address.</p>	 <p>Program offers 30 days (with 5 days' grace) of interest-free financing.</p>	 <p>Reseller profit will be sent via ACH once payment has been received (approximate 5-day turnaround).</p>	 <p>The process is simple and easy with minimal paperwork involved.</p>
---	--	---	--

BENEFITS

-  Increases buying power
-  Reseller recognizes top-line revenue
-  Deal-specific program

-  Program complements the reseller's net line at Ingram Micro—use both accounts to finance business.
-  End user is not aware that Ingram Micro is being used to finance the sale (unless Notice of Assignment is required).

COST

\$200 **PROCESSING FEE**
with a maximum of \$800 annually

*Subject to Ingram Micro credit approval.
