

Make money and your financial and legal customers happy

Managed Print Services (MPS) earns you higher margins and predictable revenue—and you provide your customers with a complete printing solution. Plus, we do all the legwork.

 **PROFITABLE**

Ingram Micro can earn you 15% or more on MPS and you enjoy an ongoing source of revenue by attaching supplies to every print sale.

 **SIMPLE**

Ingram Micro manages all the details—monitoring the print environment, replenishing supplies, billing and collections.

 **CONVENIENT**

Our new, easy-to-access portal shows “MPS vs. cash” to demonstrate the savings and allows you to make adjustments to reflect your margin.

Visit: mympssolutions.com

 **FLEXIBLE**

Whether it's one printer or 100, you can tailor the program to your financial and legal customers' needs. We're the only MPS to offer the one printer option.

Easy-to-use portal for quoting
