

Did You Ever Want to Host a Workshop but Didn't Have the Resources?

Are you interested in putting on a workshop around Ansible or OpenShift for your prospects and/or customers? Check out the options below and reach out to our Technology Consultant II, Ivan Aguilera, Ivan.Aguilera@ingrammicro.com, for further information.

OpenShift Workshops:

OpenShift Getting Started

OpenShift- Quarkus

OpenShift Service Mesh in Action

OpenShift- F5

Ansible Workshops:

Red Hat Ansible
Red Hat Enterprise Linux

Red Hat Ansible
Windows Automation

Red Hat Ansible
Network Automation

Red Hat Ansible
Security Automation

Not authorized to resell Ansible or OpenShift? NO PROBLEM.

Reach out to our Business Development Team at (RedHatMDTeam@ingrammicro.com) to get the exact courses to complete on the Red Hat Portal and then schedule a Master Class with Ivan Aguilera, (Ivan.Aguilera@ingrammicro.com), to get your sales team up to par!
