

GET CERTIFIED, WINED & DINED

VERITAS™

Register below for the VSE training courses with Ingram Micro's Technical Account Manager, Gus Iannello.

By completing a VSE training course and passing the test, you will receive an invitation to attend our Veritas virtual event in December including wine, fondue & more and you will also be entered into a drawing to receive a JBL speaker!

Achieving these certifications will result in a Veritas Sales Expert (VSE) accreditation that counts towards partner tier requirements.
